## SHIP MAINTENANCE AND MANAGEMENT SYSTEM

Our system allows you to run your vessel like never before. A Windows based software which will drastically improve the day to day operations of any fleet. Covering everything from automatic scheduling to Inventory management, with an incredibly Easy to use interface. Monitoring your fleet activities become achievable at the touch of a button.

## WE HAVE THE SOLUTIONS

## AFFILIATES

Collaboration is a big key to success and we are proud to say that we are an official IMPA Distributor, as well as Microsoft Gold Application Partner. Our Product has got Type approval Certificate from ClassNK & DNV-GL.
